Hunting Safaris

The Wintershoek Safaris company is well established as a premier responsible hunting operation in South Africa's Northern Cape Nama Karoo area. This expansive hunting paradise is renowned for its beauty and quality of game. Each day at one of the Wintershoek Safaris game territories start with a bright burst of African sun. And each day ends with sunsets as beautiful as you will ever experience.

The hunting areas of Wintershoek Safaris are all fully owned by the company. This means hunting experiences with Wintershoek Safaris are guaranteed by the same people who sell it. The combined size of Wintershoek's Karreekloof, Thuru, Gamagara and Linksfontein lodges is a massive 246 000 acres of unspoilt grassland ideal for hunting.

Hunting Area

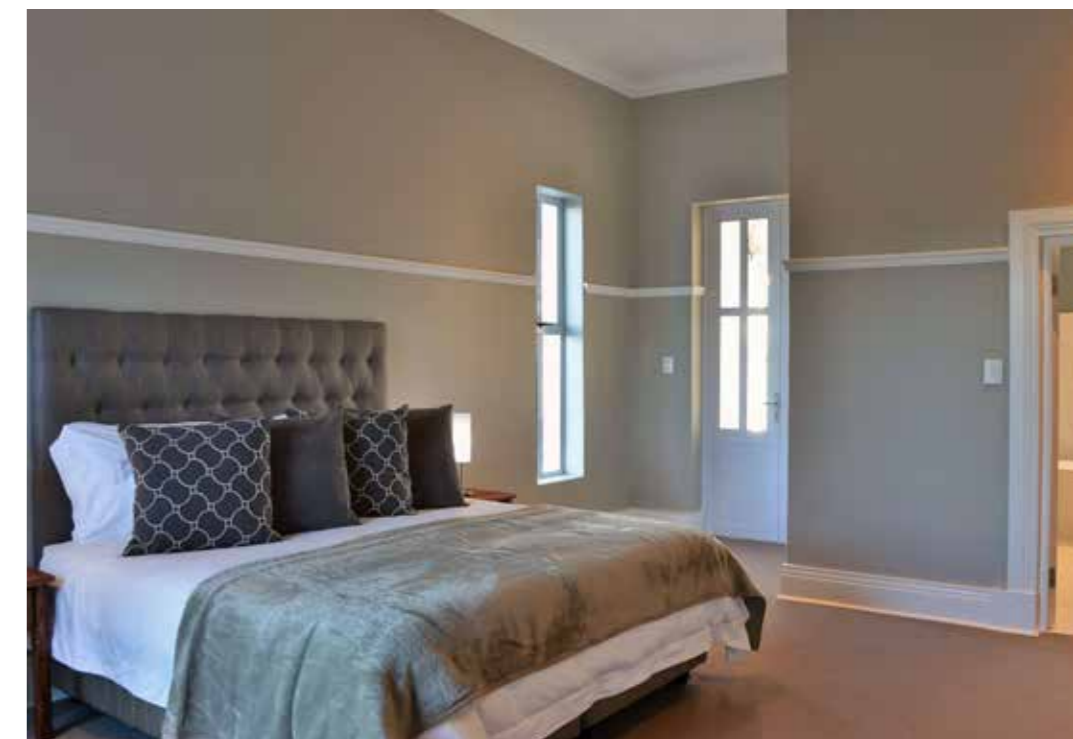

Karreekloof

Nestled in the Northern Cape Karoo grasslands of South Africa, Karreekloof is a very large, open area ideal for hunting in expansive territories. This vast 112 000 acre space is a newly developed paradise created by the owners of Wintershoek Safaris to ensure a magnificent, responsible hunting experience for all.

The brand new Karreekloof lodge is a superb development that fits right into this historic part of the country that dates back to 1881, when the first trading post was opened here by the pioneering hand of John William Wright.

You will be able to hunt for all the South African animals of the region, along with the best professional hunting guides and be treated after an exhausting day in the veld to a luxurious stay in our state-of-the-art lodge.

Hunting Area

Thuru Lodge

In the local Khoisan language, *thuru* means to cast off skin, to change into another creature.

This is what you will experience while hunting in the breathtakingly beautiful red Kalahari sand dunes of Thuru's Nama Karoo. You will experience solace for your soul in the warm ambience of the luxurious Thuru lodge.

Hunting a wide variety of indigenous species will provide ample opportunity for you to experience the best Africa has to offer. An adventure second to none awaits at Thuru Lodge.

Hunting Area

Gamagara Game Ranch

Gamagara is situated in the middle of the Green Kalahari, near the small town of Dibeng.

Here your hunting experience is guaranteed to start with a sunrise that will lift your soul above the pull of earth's gravity, while the most majestic African sunset will ease you into a restful sleep at our luxurious lodge, after a most magnificent hunting day.

The hunting for many indigenous species will include the adventure of experiencing an African gem, the heartland of the Northern Cape.

Hunting Area

Linksfontein Lodge

Wintershoek's hunting enclave at Linksfontein in the Northern Cape forms part of the unique Ghaap plateau escarpment, known as an area of special interest to researchers of human evolution. This mineral-rich rocky limestone area produces some excellent hunting trophies.

The team at Linksfontein has created no less than 18 blinds that blend perfectly into the natural environment. Archery enthusiasts will be in their element bowhunting a wide variety of indigenous species with superb support from our knowledgeable bowhunting professional hunters at this special place.

Photo Safaris

Its unsurpassed wildlife combined with wonderful clear skies, amazing sunsets, breath-taking natural scenery, history, culture and some of the best vineyards in the world will ensure an adventure you will never forget!

Wintershoek Safaris now offers our clients photo safaris combined with your hunting safari, or, for the non-hunter, a holiday of a lifetime. Wintershoek Photo Safaris offers our clients access to all of the very best tourist destinations across Southern Africa.

We will plan your trip from A-Z and ensure that you can have a worry-free experience and concentrate on taking in all the beauty this amazing land has to offer.
